& Computer Sciences

Proposed Timeline

+ Work beginning UCI week 6 (2/10-2/16)
+ Work occurring simultaneously
    + LLM Team
    + Engine Team
    + Frontend/Backend Team

Sage Journal

JAIR
- less rigid in formatting and verification guidelines
- no requirement length
- focus: advancing AI research

MIS Scholarly
- research paper should be 15-30 pages
- focus: intersection of information systems and management
